EDUCATION

Computer Engineering - Software (Master's Degree)   February 2010-January 2013

Islamic Azad University (IAU), Tehran

GPA: 17.36 / 20

Relevant courses: Advanced Algorithms, Advanced Databases, Advanced Software Engineering, Advanced Networks, and Advanced Operating Systems

Computer Engineering - Software (Bachelors' Degree)   February 2006- February 2009

Islamic Azad University (IAU), Ashtian

GPA: 14.53 / 20

Relevant courses: Algorithms, Data Structures, Databases, Programming Languages, Software Engineering, Operating Systems, Computer Networks

Applied Computer - Software (Associate's Degree)   September 2001- February 2004

Islamic Azad University (IAU), Tehran

Associate's Degree in Applied Computer - Software

GPA: 15.16 / 20

Relevant courses: Programming Languages, Databases, Operating Systems, Computer Networks

Technical Education (Certification)

MCITP 2008 Server Administrator   December 2010- July 2011

Kahkeshan Noor institute of Technology, Tehran, Iran

Relevant courses: 70-680-Configuring Windows 7, 70-640-Configuring Windows Server 2008 Active Directory, 70-642-Configuring Windows Server 2008 Network Infrastructure, 70-646-Windows Server 2008, Server Administrator

Network+   August 2010 - September 2010

Kahkeshan Noor institute of Technology, Tehran, Iran

Relevant course: CompTIA Network+

MS Excel, Access, FrontPage, PowerPoint, Word, Windows XP, HTML, Internet   December 2008

Human study of Islamic Azad University (IAU), Tehran, Iran

Information Technology (IT) in Multi Media (grade 1)   March 2003 –November 2003

600 hours technical training in Tehran Technical & Vocational Training Organization, Tehran, Iran
Relevant course: Photo and video software (Adobe Photoshop, Premiere, Flash and etc.) Audio software (sound forge and etc.)

Information Technology (IT) in Multi Media (grade 2)   July 2002 - March 2003
800 hours technical training in Tehran Technical & Vocational Training Organization, Tehran, Iran
Relevant course: Photo and video software (Adobe Photoshop, Premiere, Flash and etc.) Audio software (sound forge and etc.)

Hardware Technician   March 2003 - May 2003
140 hours technical training in Tehran Technical & Vocational Training Organization, Tehran, Iran
Relevant course: CompTIA A+

WORK EXPERIENCE

Computer Expert   May 2004-July 2018
Islamic Azad University (IAU), Science & Research Branch
Relevant Duty: Hardware, Software and Network maintaining and troubleshooting, web site manager, Content management System (CMS) operating, IT advisor, setup conference (video streaming and video projector), Collaborating with Public Relations (PR)

Lecturer   February 2015 – February 2017
University of Applied Science and Technology (UAST), Allameh Tabarsi
4 Terms
Relevant courses: LAN Design, Network Management Lab, TCP / IP protocols, Switches and routers, Optical Networks, Optical network Lab, Computer Networks, Network Management Operating System, Network management operating system Lab

Lecturer   February 2016 – July 2016
University of Applied Science and Technology (UAST), Daneshsar
1Term
Relevant courses: Virtual Machine, TCP / IP protocols, Optical Networks, Switching and routing in local area networks

Lecturer   September 2013 - July 2015
Islamic Azad University (IAU), Damavand Branch, Iran
4Terms
Relevant courses: Programming Languages (C++)

Lecturer   February 2014 – July 2015

SAMA Technical & Vocational Center, Damavand, Iran

3Terms

Relevant courses: Programming Languages (C++, Visual Basic, Web), Operating Systems, Databases, Data Structures, Local Area networks, Operating system Lab, Graphics software lab, Project

Lecturer   September 2012- February 2013

Islamic Azad University (IAU), Hashtgerd Branch, Iran

1Term

Relevant course: Computer use in accounting

Network Expert   April 2004- September 2005

Alborz Computer Company*

Network Technician, Help Desk, Network Troubleshoot

* Internet Service Provider (ISP)

Web site Design

Relevant Activity: web site designing and maintaining with CMS (Joomla and WordPress)

Ref: http://www.drmazhari.com

Skills

Windows (client and server), Linux (Ubuntu and other GUI version), C++, Cisco Packet Tracer (and other Simulators), CMS (Joomla, WordPress)
